To: Potential food concessionaires of 2015 Tumbleweed Festival

From: Jera McGraw, Tumbleweed Festival board member

Cell phone: (620) 805-9643

Hello from the Tumbleweed board. In the past, you have been contact by Jill Whippo. She has decided to relocate and start a life in Denver, so I will be filling in for her this year and will be the contact for food vendors at the Tumbleweed Festival.

This year's dates are for the evening of Friday, August 21, Saturday, August the 22 and Sunday, August the 23. As always, the festival will be held at the Finnup Park/Lee Richardson Zoo.

If you are interested in having a concession booth or trailer this year, we are requesting that you return your completed application and fee as soon as possible. Applications will be approved on a first come first serve basis. We want to offer a variety of food options, so please be as specific as possible when describing the products you serve.

PLEASE BE ADVISED-as of this year, the city of Garden City has informed the Tumbleweed Festival that they will not provide any assistance to the performers or the food vendors for the festival. Food vendors will have to provide their own extension cords and adaptors as needed. 110 and 220 volts are available with 30 and 50 amp plug-ins respectively.

Another change for this year is that vendors are being asked to enter the festival grounds through the maintenance gate on the South side of the Zoo. A map of the grounds can be found at Tumbleweedfestival.com to assist you in this.

The rental fee for each booth space will be \$150. Electricity and water will be available at no extra cost. Bags of ice will be for sale as in previous years.

Mail Application and non-refundable fee to Tumbleweed Festival, c/o Jera McGraw, 3405 16 Rd, Ingalls, KS 67853
